The map displays a topographic representation of the Valpulita area, characterized by dense contour lines indicating elevation. Key features include:

- Legend:** Defines symbols for project area, concession area, elevation points, existing embankments, and three project zones (Ambito A, B, C).
- Project Information:** Identifies the project as "Piano di coltivazione della cava n.61 'Valpulita'" in Carrara, Toscana, prepared by Marco Berlinghieri.
- Map Details:** Shows contour lines with elevations ranging from 348.3 to 629.3. Specific elevation points are marked with black diamonds and numerical values (e.g., 392.75, 401.90, 417.05, 444.10, 470.90, 509.90, 514.20, 519.25, 530.40, 530.80, 530.90, 530.95, 531.00, 531.05,
